NATIONAL ELECTIONS

"Goldwater Saves America", Act II, Scene 3

It is discouraging and depressing to see so many good right-wingers, particularly knowledgeable anti-Semites, falling for the Jew faker, Goldwater.

The tactics of the enemy, everytime it looks like they have lost the majority of the electorate which they need to stay in power, is to send over one of their boys to lead our side in a phony "rebellion".

Across the country, I found hundreds of desperate and discouraged conservatives who are falling for this Goldwater act, just as they once fell for the Eisenhower act under the same circumstances. I will admit that Goldwater LOOKS good, for the most part TALKS good, and even manages to give the impression that he could and would truly save our great nation from rapidly approaching catastrophe.

Nevertheless, his abominable record of supporting Walter Reuther's Communist-lining lawyer, Goldberg, for the Supreme Court, his backing of Ike instead of Taft, his support of the NAACP, and all the rest of the FACTS about this Jew scroundrel, convince me that he is one of the most dangerous men in America.

I predict that his role will be as follows: the Jews know very well that our insane economic "policies" will inevitably lead to financial catastrophe for the country which will make the 1929 depression look like manna from heaven. Not only that, but the Jews want and need such an economic catastrophe as the inevitable prelude to their Communist revolution.

But it must not happen during the administration of their beloved "liberal" left-wing, Communist-lining and Jew and nigger-loving presidents. A depression or run-away inflation under Johnson would drive the people towards extreme right-wingism, with an inevitable pogrom against Jews and nigger-lovers.

So Mr. Goldwater is being built up to follow Mr. Johnson. Johnson absolutely cannot be beaten in this election in the emotional atmosphere after the assassination and with millions of Southerners doggedly and blindly loyal to the "Democrats"--regardless of what kind of a snake or swine runs under that banner. For this reason, I suspect that the Jews will see that a right-wing Republican, possibly Goldwater or Nixon, will run against Johnson so that, when he is thoroughly beaten by a landslide, the way Roosevelt used to do it, they can then claim a "mandate" from the people to practically exterminate the right wing and conservative people. The conservatives, of course, filled with wishful thinking and utterly incapable of realistic political calculation, will joyfully cooperate in producing for the Jews this liberal, leftist, race-mixing, Zionist and suicidal "mandate" from the "people" for Mr. Johnson in the next elections.

I then predict that Mr. Johnson's administration will be SO repulsively nigger-loving, Jewish and Communistic, that the people will turn in desperation to Mr. Goldwater.

And that's just what the enemy will be waiting for. We will have already had four years of insane "prosperity"--just like 1925 to 1929, and we will then have a "Hoover depression"--this time called a "Goldwater depression".

I am sure that more mature readers will remember the result of the "Hoover depression". It resulted in millions of Americans, particularly intellectuals, turning openly to the Communist Party. This is exactly what they have planned for about 1970 under Mr. Goldwater.

By brutally and ruthlessly opposing Goldwater and this filthy plan now, even at the expense of alienating millions of conservatives who are now cursing me, the American Nazi Party will have built up the record of intelligent foresight and planning which will win us in 1970 to 1972 precisely the same people who are now cursing us for our opposition to their Kosher conservative hero, Mr. Goldwater.

A final note to this sorry situation is that Mr. Goldwater will also, like his predecessor, Ike, further advance the nigger cause as he has openly boasted during his disasterous "reign"--probably from 1968 to 1972.

NO CHOICE

Would You Rather Be Shot, Gassed, Hung or Electrocuted?

As I have met our friends around the country in the last few weeks, I have been regularly asked what I thought "we" (meaning our government) should do in Viet Nam, Africa and the other scenes of American disgrace and catastrophe all over the world.

It is mighty difficult for me to answer these people because they are sincerely concerned, I know, about what is going on.

In most cases, I must simply refuse to give any answer whatsoever. There is no answer at all in the various alternatives suggested by our insane foreign policy. When somebody asks me, for instance, which of the various alternatives we should take in Viet Nam, I must reply that we have no business being in Viet Nam in the first place. It is because of our assistance to Communist Russia, starting way back with recognition by Roosevelt in 1933, and our billions of dollars and military aid to Russia and the destruction of Christian anti-Communist Germany, that there is any Communist problem anywhere in the world today.

Our situations in Berlin, Viet Nam, Cuba and everywhere else are the planned result of Communist plotters in our own government. ANYTHING we do plays into the hands of the Communists.

In other words, asking whether we should "pull out"of" Viet Nam, or whether we should "fight", or whether we should support a different regime, etc., is very much like asking whether you would prefer to be shot, hung, gassed or electrocuted. Perhaps an even more apt analogy would be to force a captain of a ship to head his vessel directly towards a coast and then ask him which pile of rocks he preferred to crash into.

The ONLY way to solve our international problems is to go at the ROOT of our trouble, the Communist officials, Jews, nigger-lovers and traitors in our OWN GOVERNMENT. Without the active cooperation and plotting of these roaches, there would BE NO Communist problem anywhere in the world. In other words, the disease of Communism has its source in New York City. When we have cut off that source, Communist problems everywhere will cease. Until we have cut off that source, doctoring around with the SYMPTOMS of the disease as it breaks out in sores and pustules anywhere upon the globe is a complete waste of time and sometimes even such a delusion that it plays into the hands of the enemy.

I strongly suggest that our members and supporters do not permit themselves to become entangled in such discussions. If somebody asks you would you prefer to be hung or electrocuted, the discussion is a waste of time compared to a discussion on how to avoid being executed at all. And that should be the lesson for our members and supporters everywhere. Discuss ONLY how to cure the disease--not what kind of salve to put on the pimples.

NIGGER BEAUTIES

The Niggers Themselves Expose Their Conviction That Niggers Are Ugly.

About every 10th or 11th college where I speak, there is a tremendous clamor about the fact that they have just elected a nigress as "beauty queen" or a nigger as student president or "most handsome man on campus", etc.

When I get the college paper and study the photographs of these nigger "beauty queens"--the fraud hits one in the face like a punch in the nose.

I have never yet seen a nigger "beauty queen" who looked like a nigger!

These coon "beauties" ALWAYS HAVE WHITE FEATURES with dark skin!

Can anyone actually imagine a real Ubangi-type cannibal nigger woman with enormous lips, gorilla-like nose, steel wool fuzz for hair and those mirky, bloodshot red eyes of niggers as a "beauty"?

Neither can the niggers!

Our White women are perhaps the most beautiful living things ever created on this earth and, if the White Man had any sense, he would treasure them and defend them to the death from these incredibly ugly Black savages who are grabbing them in increasing numbers.

Our Viking ancestors called the inhabitants of Africa "the purple people"--because a pure, Congo nigger is so black that his skin glints in the sun with a purplish sheen. The day some college picks one of these ugly animals for a beauty queen we will know that our country has indeed gone nuts.

In the meantime, the niggers who are always selected as the first integrators, as "beauty queens", and as nigger executives and politicians are solid proof of the absolute superiority of the White Man --because every single one of them look like White people with darker skin. It is the WHITE ANCESTORS of these nigger "heroes" who are actually being honored when these coons get elected "beauty queens", etc.

And it is to the eternal shame of the White Man that these ugly black savages HAVE this White blood with which to confuse, confound and

insult us. I have nothing but disgust for the White man who tells me he is devoted to the White Race and hates niggers--and then gives the seed of the White Race to some ugly nigress because of his insatiable lust and lack of self-respect.

PARTY PROGRAM

In the near future we are planning to revise the political section of the program of the American Nazi Party to bring it more up to date. (The political section is the fine print on the back of the program. The front part consists of principles which will not be changed, but there are so many political developments since the original program was printed more than seven years ago that, in accordance with our pledge on the front of the program, the political section now needs to be revised and will be revised.)

We invite all Party members, friends and supporters to inspect the political section for America carefully and to make any suggestions they think would be helpful in revising this program.

Please address all suggestions to the National Secretary, Captain Koehl, who is in charge of this work. This veteran Nazi has had long experience with National Socialism even before he joined the American Nazi Party. He personally wrote the program for the present National States' Rights Party and is the editor of the National Socialist World.

JEWS DRAG DOWN WASHINGTON

Driving through Tulsa with one of our new and wonderful friends out there on Washington's birthday, I had the misfortune to hear the NBC "Monitor" "tribute" to George Washington.

With typical Jewish genius at dragging down everything noble and decent and wholesome, the founding father of our country was depicted as a home wrecker who was cheating his wife in Mount Vernon by illicit relations with somebody else's wife down the road.

And for those who mistakenly imagine that George Washington fought the revolution because he loved our country and its principles, the Jewish script writers assured listeners that Washington fought the American Revolution because the British would not let him speculate in land beyond the Allegheny Mountains and he was thus fighting the revolution for profit.

The Jewish mind and heart is such that they must, perforce, impute to others the same putrifying and rotten emotions which motivate them.

Hitler complained bitterly that the Jews did precisely the same thing to patriots in Germany in the '20's and '30's.

JEWISH ARROGANCE

A Toronto rabbi was recently arrested in that city for a violation of the law.

He refused to show police his identification and acted with typical Jewish arrogance towards the policemen who were doing their duty.

The police arrested him according to law and brought him before a magistrate where he was convicted.

Subsequently, the whole Jewish community rose up in wrath and forced the processes of law and order to go into reverse.

Seems the rabbi was arrested on Saturday, the Jewish "Holy" day and Jews are forbidden to be arrested on Saturday. Thus, this Jew rabbi Liener, by Jewish "law" is permitted to defy all the rest of civilization and law and order and refused to be arrested.

The chief of police of Toronto has been forced to "apologize" and all charges against this saintly rabbi have been dropped.

Can you imagine what would happen if a CHRISTIAN preacher fought police and refused to be arrested on Sunday and then demanded an apology from the police department, judges, etc.?

FREE AFRICA

The Game of "Let's-Pretend-That-Niggers-Are-People" Produces More International Insanity

In Africa!

All over Africa, the niggers are kicking out the White Man as "unnecessary" and as an "exploiter". The mobs of niggers are "emerging" as new "nations" and nigger "powers".

However, the minute these nigger "nations" get into trouble, as they inevitably do because of their native inability to understand, let alone produce orderly and just government, they immediately yell for their late "exploiters"--the despised White Man--to rush back and restore order.

As soon as the White Man learns that he has only to "free" these niggers and they will promptly demonstrate to the world their total lack of any "equality" with the White Man, the farce of the new "emerging" nigger "nations" will be over.

Let's give these cannibals REAL "freedom" --and they will soon be back to their natural state of nakedness, cannibalism, corruption and filth.

NIGGER HATCHERY

Last night in a meeting with our people in New Orleans, I kept hearing various members and supporters refer to "the hatchery".

I inquired what this "hatchery" was and it was patiently explained to me that this was short for "the nigger hatchery"--the name applied by the people of New Orleans to "Charity Hospital" which produces, believe it or not, literally hundreds of nigger spawn every week--FREE!

Few people realize the mathematics of this insane financing of wild nigger multiplication by Jewized Whites. Every year, in every city and many villages all over America, the niggers are using WHITE MONEY by the millions, and perhaps billions to produce new millions of little nigger savages. The births are free--on the White people at "Charity Hospitals" all over America. From there on the White people provide free food, housing, medical care and education to these ugly little savages until they have grown up and become big enough to feed, clothe and house themselves by robbery, murder, rape, banditry, mugging and so forth all over this nation.

Have you ever investigated the statistics for the "nigger hatchery" in YOUR area?

FASTEST DEAD NIGGER IN THE WEST

Television is becoming more Marxist, race-mixing and sickening every day. Some of our friends in Amarillo have what I think is an excellent name for the medium--"The Jew Boob Tube".

About the only form of "escape" or "recreation" which I can still enjoy at all are some of the "westerns" on this "boob tube". But the once he-man, rootin', shootin', good-guys-and-bad-guys horse operas have become increasingly disgusting as the good guys have become more often niggers.

Several times now, they have cast a coon (once even the Jew coon, Sammy Davis, Jr.) as "the fastest gun in the West"!

Can you imagine what would have happened to a nigger who showed up in a Western town even 50 or 60 years ago packing a GUN!

That would have been a dead nigger with his head blown off in a few fractions of a second.

You have to give credit to the Jews for their genius in being able to put this garbage over on millions of our people without outright rebellion.

At the same time, in spite of the fact that more than 85% of our crimes and felonies are committed by niggers, I have yet to see a single coon criminal or even bad man on any TV show.

The coons are demanding more and more important parts in TV and I am all for giving them REALISTIC parts. Let's see crime shows on TV with the REAL and ugly nigger rapists, robbers, muggers and other vicious savages in leading parts as the criminals. Instead of this, however, the Jews give us nigger judges, nigger district attorneys and nigger mayors, etc. The criminals, of course, are invariably White men--and when they are particularly vicious, they are usually depicted as unshaven, brutal Southern protestant White men. I have learned by experience that whenever somebody shows up in a who-done-it with a Southern accent--there's the guy that done it.

One final sidelight on this "Jew Boob Tube" business--the kike script writers have shown noth-

ing less than genius in slipping Hebrews into the scene out West.

The only REAL Jews I ever heard of operating in the Old West were running stores, whore-houses and saloons--as Mr. Goldwater's granddaddy did. The Jew script writers don't want any such an image, of course. Yet it would be utterly ridiculous to portray Hebrews as fighting men. Can you IMAGINE "Two-gun Fincklestein", "Izzy the Kid" or "Dead Eye Lipshitz"? Faced with this impossibility, the Jew script writers have come up with charming, handsome and thoroughly courageous traveling rabbis who go about the Old West doing boy scout deeds and standing up bravely to rotten, degenerate and brutal, Gentile, White bullies.

When they show our Western forebears on a TV show all busily engaged in putting up a big synagogue in Deadwood or Tombstone or Whichita --that's the day I quit looking at the Jew Boob Tube.

JEWS RENT RAT HOLES

Sometimes it is difficult not to sympathize with the coons.

The niggers in Harlem are staging a rent strike against the vile, rat-infested tenaments for which they pay outrageous rents. Almost all of the landlords are Jews who are even viler than the tenements they rent to the coons. The Saturday Evening Post for February 29 contains an article on the niggers' reply to this Jewish exploitation. As might be expected, it takes the side of the coons --but then, with typical Jewish effrontery, it does not name a single Jewish landlord in placing the blame for the exploitation. Instead, it names probably the only Gentile they could find who owned a Harlem tenement. Not once in the entire article is it mentioned that almost all of Harlem's landlords are Jewish exploiters.

Malcolm X, however, has not been so considerate and thoughtful of these Jews. Malcolm X has been vociferously telling the New York coons WHO has been exploiting them in these horrible tenements, WHO has been selling them dope, WHO has been exploiting them with prostitution, Zionist whisky, dope, etc.

The Post article is probably an attempt by the Jews (who have apparently gained complete control through stock sales of the croporation which publishes the Post) to "cover up" the Jews as the niggers get madder and madder in the housing situation.

In the long run, it won't work.

Millions of niggers are familiar with the ugly Jew who comes around every week to collect rent but won't give them any heat, won't clean up the building and, in general, acts like Jews have acted for 4,000 years. The nigger leaders who must face the actual residents of Harlem--Adam Clayton Powell and Malcolm X--have been blasting away at these Jews.

The nigger leaders who work for the Jews, Roy Wilkins, James Forman and the rest of the Black Jew toadies, can make a lot of publicity in Jewish papers, magazines and TV, but they can't hide those ugly Jews who own every slum in the country and rent them out at huge prices to nigger victims.

One of the most effective things the right wing in America could do would be to INFORM the niggers as to the montrous size of the Jewish exploitation machinery which is using them. Instead of holding the eternal right-wing rallies at which right-wingers talk to each other, it is time for White Christian leaders to reach the niggers all over the North, Midwest and West who are being brutally exploited by Jews and teach them that the only salvation is geographical separation in Africa.

Negroes can surely see they can expect no real help from the same gang which has been exploiting and degrading them for 200 years.

SUPREME COURT

The Jews Do Their Homework

The latest Supreme Court decision ordering "equality" in Congressional districts is one more nail in the coffin of White Christian America. What no news commentator has pointed out is the fact that the new redistricting, quite aside from whether it aids the Republicans or Democrats, will invariably give JEWS AND NIGGERS tremendously increased power in subsequent Congresses.

All the talk about whether it helps the Republicans or Democrats is smoke screen. Time magazine even claims that it is a big Republican victory because it favors the suburbs of big cities.

What nobody points out is that the redistricting in EVERY SINGLE CASE will give new and more powerful political power to the solid-block Jew and nigger votes. That, of course, was the purpose of the suit filed which resulted in the Supreme Court decision.

This, again, should remind our side of the need to do its "homework".

But it won't.

A careful study of the Supreme Court decisions which have been handed down almost universally striking at the very root of the White Race, Christianity and "our side" shows that "our side" has failed to do its "HOMEWORK".

By that I mean that the Jews, Communists and other termites in our body politic have searched out immoral BUT LEGAL loopholes through which to begin their boring into the foundations of our national life. Our side, soft and fat after more than a century of secure domination, has raged, fumed and sometimes even committed violence in the effort to stop the steady stream of rotten Supreme Court decisions. But "our side" must accept a good share of the blame for these decisions.

I have learned by bitter experience in many courts the rudiments of American law. I have also learned that, when you stand solidly on the law and the facts and argue them well--"do your homework"--you can win, as I have done even in the Supreme Court in the Union Square case. Regardless of the hatred of millions of Americans for the Supreme Court and the criticism I experience for saying so, I must still insist that if our side FOUGHT LEGALLY AS HARD AS THE OTHER SIDE, we could stop this string of Red decisions from the Supreme Court and even reverse many of them.

A good example is the recent case in Georgia in which a group of citizens presented evidence to a federal judge that the Negroes were inferior and White children should not be made to go to school with the coons. Even after the Supreme Court decision of 1954, the federal judge had to admit that the attorneys for our side, the White side, were right and he gave them the decision.

I truly believe that if enough money, effort and time were spent by our side carrying such a case with total determination to the Supreme Court, we could actually win.

The redistricting decision of the Supreme Court last week simply shows that the Jews searched out a tiny and un-noticed legal technicality, did their "homework"--AND WON!

In studying this same case, I noticed such a loophole for OUR side.

The Constitution guarantees every accused criminal a trial by a "jury of his PEERS".

"Peers" means EQUALS!

The very fact that the writers of the Constitution guaranteed a trial to a man by his EQUALS --his peers--proves conclusively that the founding fathers did not believe that "all men are created equal". The fact that they guarantee a jury of "peers" to an accused shows that the founding fathers considered that there were some citizens who would NOT be the accused's "equals".

I am utterly convinced that we could use this "loophole", precisely as the Jews have used the redistricting loophole, to win a point for our side if we were willing to sacrifice the time, energy and money to do it. But I have learned by experience that our side simply won't do this. It is too used to domination the easy way and simply won't do its "homework".

PEOPLES CAR

Too few people are aware that the world's most popular car, the "Volkswagon", is the brainchild of Adolf Hitler.

Hitler called in Porsche, the acknowledged leader in automobile design, and required him to design an automobile which would not keep changing style and model, which would be as inexpensive as possible and yet of excellent quality, which would therefore be available to all the PEOPLE (thus the name "Volkswagon"--"the people's car") which would have an air-cooled engine in the rear, would be streamlined to reduce resistance and therefore gasoline consumption and, withal, confortable and safe.

Porsche submitted several designs and Hitler put the final stamp of approval on the car which has not changed substantially in almost 30 years and has now become exactly what Hitler envisioned --the PEOPLE'S car.

Quite an achievement for a "mad rug-chewer".

BLACK MUSLIMS TURN LEFT

The latest issue of "Muhammed Speaks", the newspaper of the Black Muslims, makes it abundantly clear that this once hopeful group of Black nationalists has been completely captured by Communism.

This paper, especially the articles by the senile Elijah Muhammed's sons, is openly parrotting the Communist line right down to the "T".

Malcolm X, the man I have admired in this organization, has been disciplined and rumors are flying in all nigger newspapers that Malcolm will soon break away with his own movement.

I hope this is true and, if so, that Malcolm will have the good sense not to fall victim of the same Jews and Jewish Communism which the Muslims, in the good old days, used to scorn with such brilliant insight.

If Malcolm now has the brains to seize the leadership which Nature has given him and lead his people out of bondage not only to the Whites, but to the Jews who are leading the rest of the nigger movement, he cannot help but succeed. And we will help him back to Africa.

But if he is stupid enough to join such nigger toadies to the Jews as Martin Luther Coon and James Forman and John Lewis, etc., the Muslims will become the most dangerous and deadly revolutionary group in America.

In short, if Malcolm X joins the Red niggers, it will mean no alternative to a fight to the death against millions of American niggers--and there can be no question of the outcome. Many Whites will doubtless perish in the struggle but ALL the niggers will be wiped out if they choose this suicidal course.

LABOR

As I have been speaking across the country over the past few weeks, I have been scolding our side for its rotten image of loving money more than people. The clever enemies, like Roosevelt and now Johnson, produce an image of themselves as "friends of the common man", while most of the right wing is talking about taxes, money, budgets and abstract principles of Constitutional law which repel masses of Americans who are struggling to feed their children. The rich Capitalists of America who truly did exploit their poor White brothers in sweat shops from 14 to 16 hours a day, etc., etc., drove the masses we need to survive politically directly into the arms of Jewish labor leaders.

Now the situation has reversed somewhat.

In Florida, the Florida East Coast Railway, led by an old fashioned American individualist, has finally rebelled against the tyranny of Jewish-led labor monopoly. This railway has successfully defied extortionate and pinko labor demands which are truly outrageous. It has not only survived but has begun to earn a profit for the first time in years by getting rid of the insane labor practices decreed by Roosevelt, Sidney Hillman, Walter Reuther and their ilk.

So the labor goons are now resorting to dynamite and violence to FORCE the Florida East Coast Railway to capitulate.

The pendulum is swinging the other way. First, in our country, management was inconsiderate of labor and drove labor completely away from its natural leaders in management and into the arms of the Jews.

Now labor has become all powerful (under Jewish leadership, of course) and is now driving the leaders of the White Race directly into the arms of the waiting Capitalist, Zionist Jew--GOLDWATER!

Thus we see the complete fulfilment of what Hitler so magnificently set forth in Mein Kampf. The Jews, with their Marxism and Zionism, get the two segments of Gentile society, management and labor, tearing at each other's throats under Jewish leadership.

National Socialism reunites these two equally necessary segments and gets rid of the Jewish agitators who keep us divided.

STRANGE COINCIDENCE

The latest bulletin of the Anti-Defamation League of B'nai B'rith contains a long article on the wonders of "Democracy".

By a most peculiar coincidence, the article is by a man with a very famous name.

The author of this article on the wonders of democracy is MORTON J. SOBELL.
